~~DELEGATE PROPOSAL~~

Amendment to Standing Rules of the Convention

Introduced by: Delegate Robey

AMENDMENT TO RULE 22

On page 8 of the mimeographed Standing Rules of the Constitutional Convention add at the end of the list of standing committees the following:

"12. Committee on Public Information"

Explanatory Comment

As delegates to the Constitutional Convention we have the responsibility of informing the citizens of Maryland of the Convention's activities, progress, and issues that arise during the course of our deliberations. At the conclusion of the Convention, assuming the adoption of a new Constitution, we have a continuing responsibility of informing the people of the State about the contents, meaning, and effect of the recommended Constitution.

Because the Constitution is the ultimate responsibility of the delegates to the Convention and the dissemination of information regarding the Convention and proposed Constitution is of the utmost importance a Committee on Public Information composed of delegates to the Convention must be established. Such a committee is recommended by the National Municipal League in its manual on the planning organization and operation of a constitutional convention and its functions are outlined on p. 48 and Chapter 10 of that monograph.

Memorandum to accompany Motion No. 4

By: Delegate Herbert L. Chabot

The announcement by the chairman of the Committee on Calendar and Agenda of the Convention, of his intention to adjourn over October 27 has had, for many delegates, the desired effect of causing them to schedule meetings on that date. Yet, as Delegate Gill noted in debate last week, the Convention has decided to set October 27 as the last date for introduction of delegate proposals entitled to the privileges of Rule 27.

The accompanying proposed amendment to the rules is intended to preserve the Rule 27 rights we thought we were providing for, without disturbing the arrangements many have made for October 27.

It is moved that the vote by which Resolution
No. 18 was adopted on October 25, 1967 be reconsid-
ered and that Resolution No. 18 be referred to
the Committee on Rules, Credentials and Convention
Budget for consideration and report of its conse-
quences in the light of Convention Rule 28.

CONSTITUTIONAL CONVENTION OF MARYLAND

Memorandum Accompanying Motion #5

By Delegates Marion and Schloeder

The motion to reconsider is premised on two factors: (1) the vote on October 25, 1967, was taken on the basis of errors of fact in Resolution 18; and (2) the vote was taken on the basis of a lack of information and misunderstanding of the consequences the adoption of Resolution 18 would pose with regard to Convention Rule 28.

Resolution 18 was premised on the following statement (in lines 11 through 14): "Three (3) delegates have been assigned to eight (8) substantive committees and therefore are exercising the right to vote on each of these eight (8) substantive committees."

This statement is incorrect in two particulars. The 3 delegates to which reference is made are not assigned to 8 substantive committees. One of them is assigned to 2 substantive committees. The other 2 are each assigned to 3 substantive committees. Each of them is assigned to those substantive committees as an officer liaison member. Not all 3 of the delegates "are exercising the right to vote on each of these...committees."

Unfortunately, representatives of the communications media reported as fact to the people of Maryland the erroneous statements contained in Resolution 18.

Certain proponents of Resolution 18 believed, erroneously, that a 10-9 vote two weeks ago in the Committee on the Judicial Branch had been made possible only because of a vote cast by that committee's officer liaison member. In fact that committee's officer liaison member has never cast a vote as a member of that committee.

All delegates have known since August that officer liaison members were to be voting members of the 2 or 3 substantive committees to which they have been assigned. Yet Resolution 18 was not offered to the Convention until October 25, 1967.

Convention Rule 28 refers to "members of the committee," not to "voting members." Because this is so, the affirmative vote on Resolution 18 taken in conjunction with Convention Rule 28, can lead to such anomalous and undesirable situations as the predicament in which the Committee on Suffrage and Elections now finds itself. "The affirmative vote of a majority of the members" of that committee necessary to report a proposal out of that committee amounts to 3/5 of the voting members of that committee. Stated another way, the majority of voting members of that committee could favor a proposal without being able to report the proposal favorably to the

Convention. Stated still another way, a minority of voting members of that committee could block the favorable report of any proposal from that committee to the Convention. Other committees may well be in that same situation.

We submit that the concept of majority rule is as hallowed and revered a tradition as is that of "one man, one vote."

Thus, we urge that the vote on Resolution 18 be reconsidered and that the Resolution be committed to the Committee on Rules, Credentials and Convention Budget.

CONSTITUTIONAL CONVENTION OF MARYLAND

RESOLUTION NO. 2

BY DELEGATE George W. Della

September 14, 1967.

Introduced, read the first time and referred to the Committee on

By order, IRA J. WAGONHEIM, Chief Clerk.

RESOLUTION CONCERNING THE DAILY SCHEDULE OF THE CONSTITUTIONAL CONVENTION

WHEREAS:

Members of the Constitutional Convention of 1967 are much disturbed over the initial schedule of daily meetings of the Convention and its committees, whereby the Convention and its committees are to meet at 9 o'clock each day including Mondays.

This is a completely unrealistic and inequitable schedule for members of the Convention.

Except for members of the Convention who live in or near the City of Annapolis, daytime meetings on Monday would impose a considerable hardship. Some delegates to the Convention require a number of hours in travel time, and a requirement to be present at 9 a.m. on Monday morning would necessitate their interrupting a weekend in order to travel to the City of Annapolis on Sunday.

In addition, members of the Convention have their personal affairs to take care of and should have a number of hours during the day on Monday to keep up with the pressure of personal business; now, therefore

BE IT RESOLVED BY THE CONSTITUTIONAL CONVENTION That beginning as of Monday, September 18, meetings of the Convention shall not begin prior to 8 p.m. on Monday of each week; and

BE IT FURTHER RESOLVED, That for extraordinary or unusual needs, this schedule may be changed by a majority of members of the Convention from time to time; and

BE IT FURTHER RESOLVED, That the Secretary of the Convention is directed to send copies of this Resolution to the chairmen of all committees and to the President of the Convention.

DELEGATE PROPOSAL

Amendment to Standing Rules of the Convention

AMENDMENT TO RULE 22

On page 8 of the mimeographed Standing Rules of the Constitutional Convention add at the end of the list of standing committees the following:

"12. Committee on Public Information"

RESOLUTION NO. 3

BY DELEGATE Malkus

September 20, 1967

Introduced, read the first time and referred to the Committee on Rules, Credentials and the Convention Budget.

By order, IRA J WAGONHEIM, Chief Clerk.

RESOLUTION CONCERNING THE BUDGET AND FINANCE AFFAIRS OF THE CONSTITUTIONAL CONVENTION OF 1967.

WHEREAS:

The members of the Constitutional Convention of 1967 have noted with interest and some regret stories in the public press which indicate that the budget and financial affairs of the Constitutional Convention are inadequate for carrying out the work and program of the Constitutional Convention.

The people of Maryland, acting through their General Assembly, already have provided nearly \$3,000,000 for the expenses of providing a new Constitution.

In fiscal 1967, the sum of \$55,000 plus a deficiency appropriation in the amount of \$760,000 for a total of \$815,000 was allotted to the Constitutional Convention Commission.

In fiscal 1968 and as part of the budget bill enacted by the General Assembly, the sum of \$2,000,000 was allotted as a lump sum appropriation to the expenses of the Constitutional Convention.

Of this total lump sum appropriation, the amount of \$20,000 was allocated for a continuation of the expenses of the Constitutional Convention Commission. The amount of \$1,230,000 was marked as being for the expenses of the Constitutional Convention during its four-month term. Finally, the amount of \$750,000 was included in the total appropriation for fiscal 1968 to cover the expenses of the special election scheduled to be held on May 14, 1968, in order that the voters of Maryland then could determine whether to adopt or reject a proposed new Constitution coming from this Convention.

According to the statement in the public press, the President of the Convention is quoted as saying that "he will have to ask the Governor for additional funds as soon as he can tell more clearly how much will be needed." There is a further statement in the public press that the amount already provided is insufficient "for running the Convention and financing a campaign to sell a proposed Constitution..."

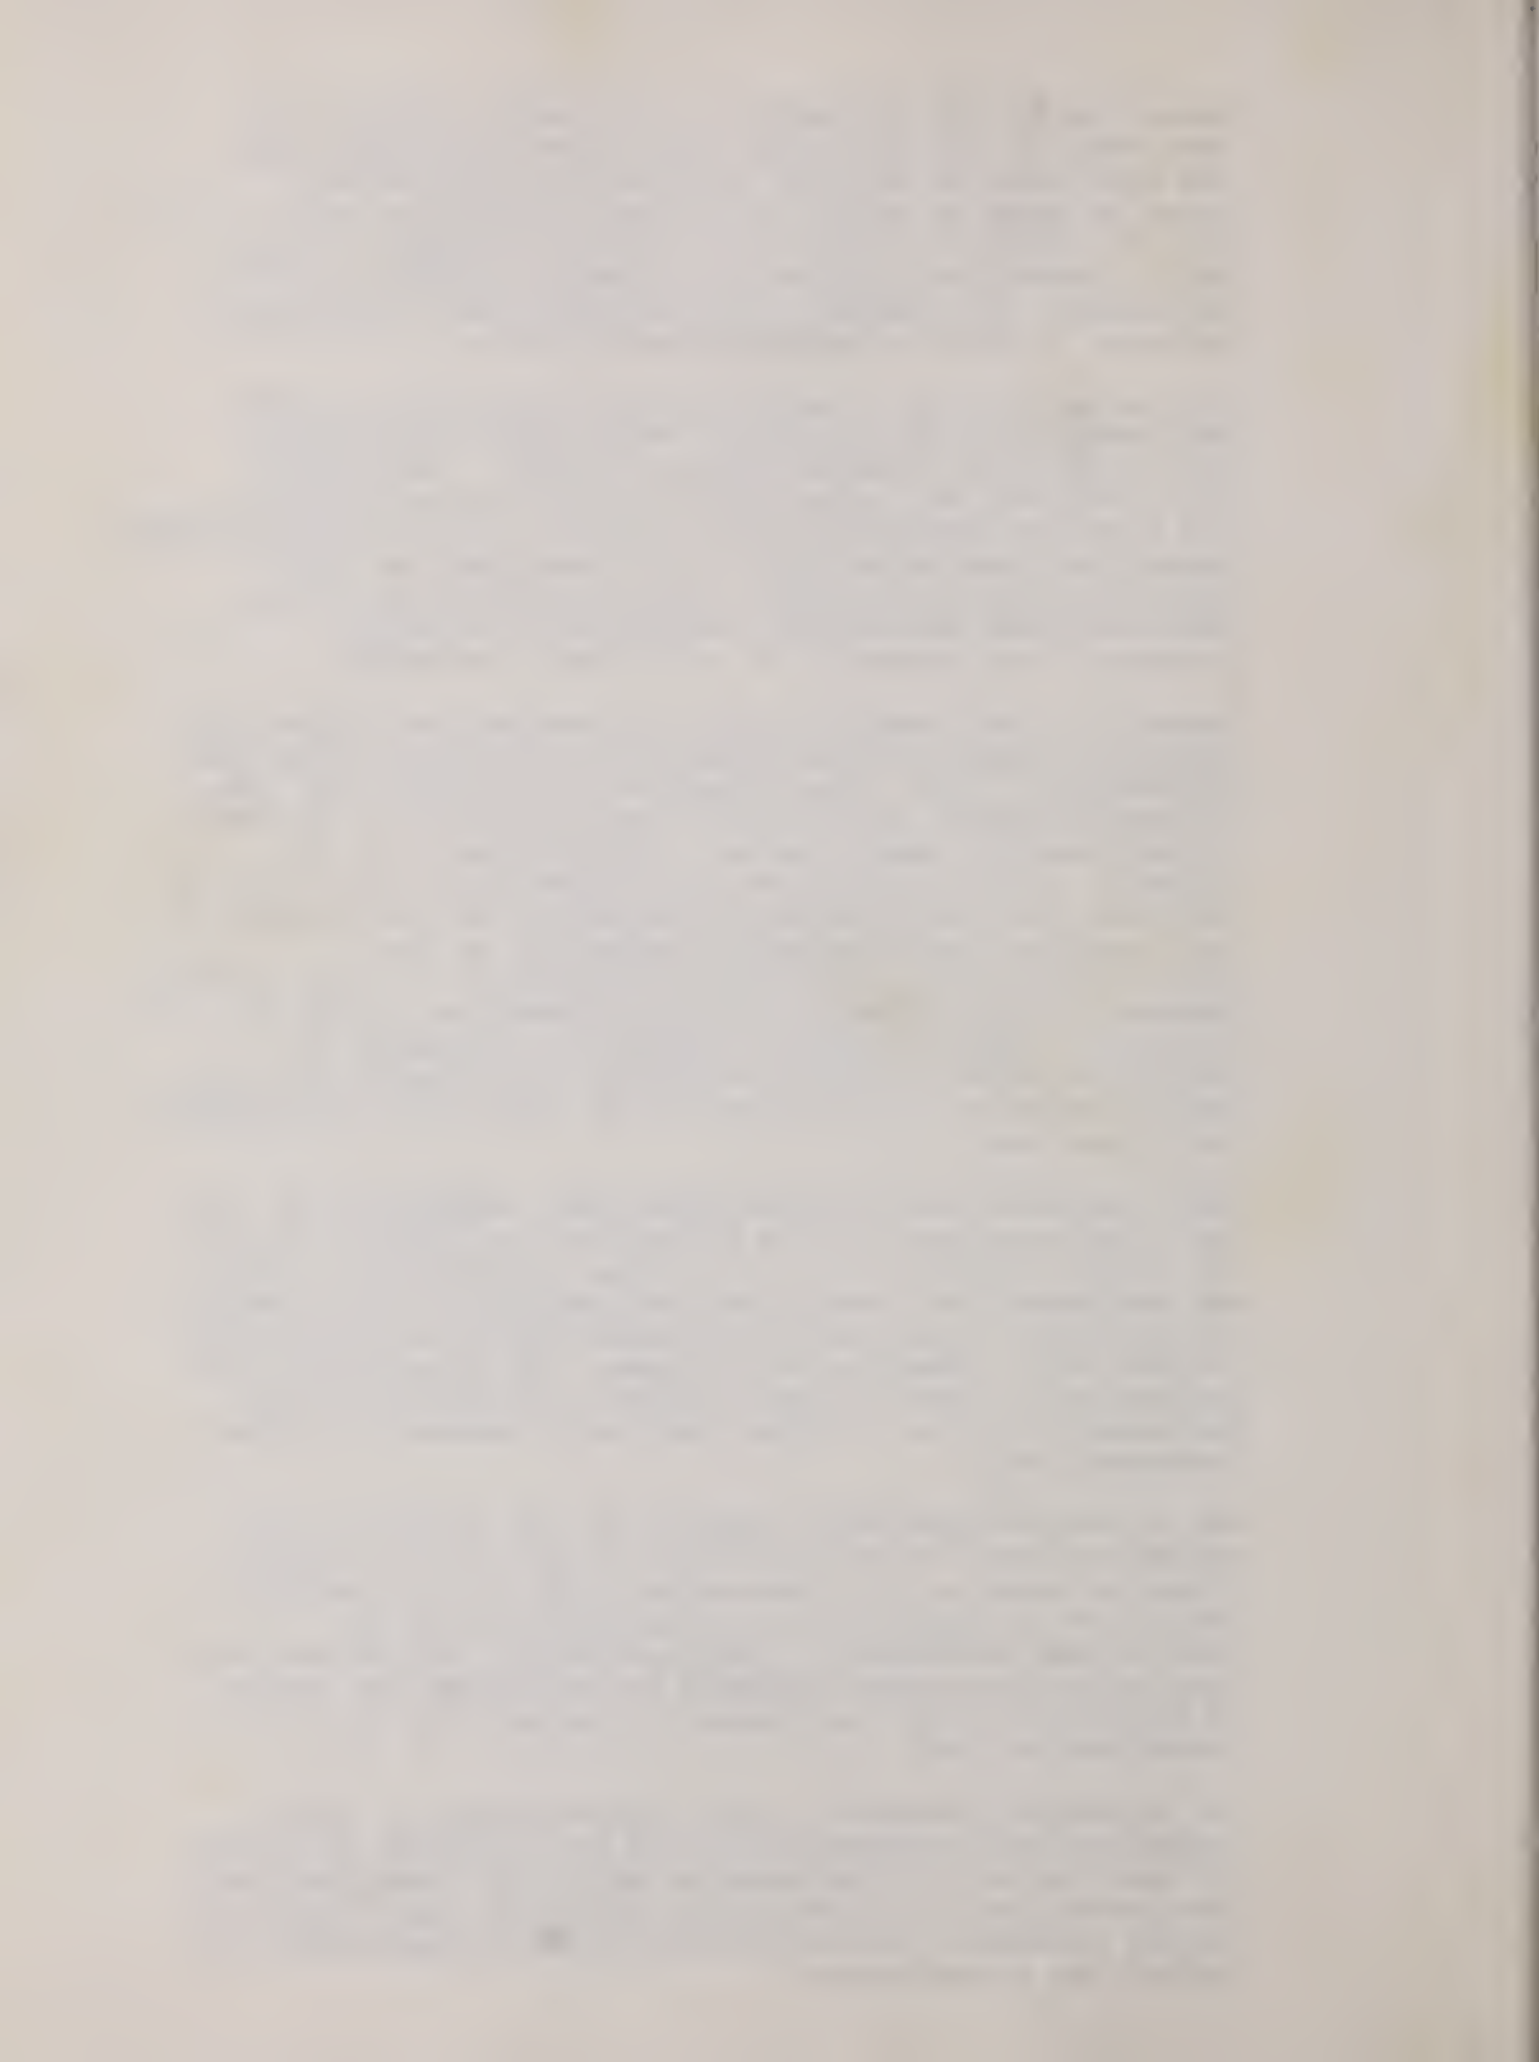

The members of the Constitutional Convention of 1967 feel that if at all possible this Convention should stay within its budgeted appropriation. The amount of \$2,000,000 was requested from the Budget Director and from the Governor by the Chairman of the Constitutional Convention Commission who now is President of the Constitutional Convention. This estimate was a firm one when made and was not reduced by the Budget Director, the Governor, or the General Assembly.

Members of the Constitutional Convention are requesting periodic reports of the financial situation facing the Convention. Also, they question in principle the use of public monies to finance a campaign urging the voters of Maryland to adopt the new Constitution. In the judgment of the members of the Convention, the voters of Maryland are fully capable of deciding on the merits of the question the adoption or rejection of any Constitution proposed by this Convention. In the further judgment of the members of this Convention, it is a misuse of public funds to finance any campaign or organized effort, either in support of or against, any public question to be presented on State-wide referendum; now therefore, .

BE IT RESOLVED BY THE CONSTITUTIONAL CONVENTION OF 1967, That the President of the Convention and officials in the Budget Bureau and in the State Comptroller's office are requested to provide periodic reports to the members of the Convention, not less frequently than once every fifteen days, showing, by classes, the expenditures and commitments of the Constitutional Convention and the balances from time to time remaining unspent and unencumbered; and

BE IT FURTHER RESOLVED, That it is the sense of the members of this Convention that no part of any appropriation made to this Convention from public funds of the State of Maryland should be utilized in any fashion for financing a campaign either for or against the Constitution and designed to influence the voters of Maryland in the referendum to be held on this Constitution; and

BE IT FURTHER RESOLVED, That the Secretary of the Constitutional Convention be and he is hereby directed to send copies of this Resolution to the President of the Convention, the Governor of Maryland, the Comptroller of the Treasury, and the Director of the Department of Budget and Procurement.

RESOLUTION CONCERNING THE PICTORIAL PRESENTATION,
"A MIGHTY OAK"

WHEREAS:

There recently has been released for public viewing a pictorial presentation on the subject of constitutional conventions in Maryland. It was produced jointly by the Extension Service of the University of Maryland and the Constitutional Convention Commission. On a recent day it was shown by one of the Baltimore television stations.

The film and sound track purport to give a history of constitutional change in Maryland and of the need for the successive new constitutions adopted over the years. It presents materials concerning the times and provisions of the four constitutions in the history of this State and discusses problems for the future.

Unfortunately, some persons who have seen and heard this presentation have been critical of its tone and approach. They cite that in numerous places throughout the commentary, the script is weakened by over-easy generalization and unwarranted conclusion, and that the vague promises of future security and happiness under the new Constitution being considered by this Convention are both political and speculative.

The tenor and the philosophy of the film, "A Mighty Oak," raise legitimate questions of the objectivity and scholarship of those who compiled and formulated this presentation.

Similarly, the content of the film raises questions concerning the spending funds presently ear-marked by Convention officials for, as reported in the public press, "financing a campaign to sell a proposed Constitution."

Probably there is no doubt in the mind of any delegate to this Convention about the wisdom of supplying copies of any proposed constitution to all interested citizens of Maryland, and about the need for objective and factual explanation of the provisions in a pro-

posed new constitution. However, the caliber of the job done in "A Mighty Oak" and the less-than-objective approach in this film lead to uncertainty whether the aim of a campaign prior to the election would be objective or propagandist, and whether public funds are to be used in selling a campaign to convince the public that is paying for the campaign.

There is involved here, of course, the paramount question of public ethics concerning proper and improper purposes for the spending of public funds.

At the very least, all delegates to this Constitutional Convention should have an opportunity to view and hear this film and to decide for themselves on the basis of its merits or demerits whether a further spending of public money is warranted for further influencing the voters of the State of Maryland; now, therefore

BE IT RESOLVED BY THE CONSTITUTIONAL CONVENTION OF 1967 that the President of the Convention is requested at an early date to provide an opportunity in or adjacent to the State House for members of the Constitutional Convention to view the film, "A Mighty Oak"; and

BE IT FURTHER RESOLVED, that at that time, if not before, the President of the Convention is requested to secure a complete transcript of the running commentary used for this film and to have this transcript duplicated in a sufficient number of copies so that each member of the Constitutional Convention and of the public press might have the entire spoken commentary available in written form; and

BE IT FURTHER RESOLVED, that the Secretary of the Constitutional Convention is directed to send copies of this Resolution to the President of the Convention, the Governor of Maryland, the Comptroller of the Treasury, and the Director of the Department of Budget and Procurement.

Constitutional Convention

RESOLUTION NO. 10

BY DELEGATES BEALL, GILCHRIST, MOSNER AND RITTER

October 3 , 1967.

Introduced, read the first time and referred to the Committee on

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION expressing the profound regret of
2 the Convention over the untimely death of the
3 Honorable Ralph R. Webster, of Allegany County.

4
5
6 The Delegates to the Constitutional
7 Convention of Maryland learned with deep regret
8 of the passing of Honorable Ralph R. Webster on
9 October 2nd, 1967.

10
11 Mr. Webster was elected a delegate to this
12 Convention from Allegany County, and was sworn in
13 on July 11th, 1967, but illness required him to
14 offer his resignation.

15
16 Ralph R. Webster was born in Somerset County.
17 After attending the public schools in that county
18 he was graduated from St. John's College, later
19 receiving a master's degree from the University of
20 Maryland and doing further graduate work at
21 Columbia and Johns Hopkins Universities. His
22 career in the educational field covered posts in
23 Frederick, Garrett and Allegany Counties, and he
24 had served from 1952 until 1966 as Superintendent
25 of Schools in Allegany County.

26
27 In his service as Superintendent of Schools
28 for Allegany County, Ralph Webster made an out-
29 standing record during a period of considerable
30 stress. Expansion of facilities, provision of

1 new programs, the founding of the first
2 community college in Western Maryland, and
3 strengthening of faculty and administrative
4 standards marked his administration. His
5 services were not limited to those required
6 of his vocation, and Mr. Webster made many
7 other contributions to his community, including
8 service as chairman of Cumberland's Civil
9 Service Commission, as an advisor to the Naval
10 Reserve, and as an officer or member of many
11 civic, church and fraternal groups. He was a
12 33rd Degree Mason, an honor which comes to
13 few men.
14

15 Thousands of citizens of Maryland are
16 better men and women because of the devotion of
17 Ralph R. Webster to the cause of education and
18 to the betterment of the area in which he lived.
19 More than forty years of daily work among our
20 young people have left with them a lasting
21 imprint of this fine man. Quiet and warm in
22 personality, marked by sincerity and held in
23 respect and affection by everyone who knew him,
24 Ralph Webster's contributions to the people
25 of his state will long be remembered.
26

27 NOW THEREFORE BE IT RESOLVED BY THE
28 CONSTITUTIONAL CONVENTION OF MARYLAND, that the
29 deepest sympathy of every member of this
30 Convention be, and it is hereby expressed over
31 the passing of the Honorable Ralph R. Webster of
32 Allegany County, and
33

34 BE IT FURTHER RESOLVED that the Secretary of
35 this Convention is requested to send a copy of
36 this Resolution to Mrs. Ralph R. Webster.

Constitutional Convention

RESOLUTION NO. 11

BY DELEGATE FINCH

October 3 , 1967.

Introduced, read the first time and referred to the Committee on
Rules, Credentials and Convention Budget.

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION that every Committee shall make
2 a recommendation concerning each Delegate pro-
3 posal referred to it, and that a written memo-
4 randum indicating the reasons for the action
5 recommended shall accompany each such recommen-
6 dation.

7
8
9 WHEREAS, it is the duty of each Committee
10 to give proper consideration to each proposal
11 referred to it; and

12
13 WHEREAS, if a proposal is not acted upon
14 or incorporated into the Committee's report,
15 the record will not disclose the consideration
16 and/or the reasons for the Committee action
17 taken on such proposal; now therefore, be it

18
19 RESOLVED BY THE CONSTITUTIONAL CONVENTION
20 that every committee shall make a definite
21 recommendation concerning each proposal referred
22 to it; and be it further

23
24 RESOLVED, that a written memorandum indicat-
25 ing the reasons for the action recommended shall
26 accompany each such recommendation; and be it
27 further

28
29 RESOLVED, that the recommendation and
30 attached memorandum shall be filed in the Office
of the Chief Clerk

Referring to the number of the proposal and noting that it is incorporated in a certain section of the committee's recommendation is also not sufficient. The proposal's content may be so technical and legal that the mere transposition of the proposal into draft form may significantly change the original proposal in substance - and this should be prohibited by requiring a complete discussion of the content of the proposals which will appear in the committee's recommendation.

And in closing, it is to be noted that the final criterion of the efforts made in Annapolis will be the action of the People of the State in a general ratification vote - not by the difficulty or ease with which delegates complete committee work. The electorate is not concerned with the procedural difficulties which the committees encounter, but they are concerned with the consideration given to each of their proposals. And if the People consider that an adequate review was not performed of the People's will, they will not ratify the finished draft. If the convention does not distinguish its work from the Commission draft, and have an open mind to proposals of others not connected with the preparation of the Commission draft, the new constitution will not be a reality.

So therefore, assure the People that each and every proposal is fully and adequately considered - and make such consideration a public record - as required by Resolution No. 11.

Constitutional Convention

RESOLUTION NO. 14

BY DELEGATE MALKUS

October 6, 1967.

Introduced, read the first time and referred to the Committee on
Rules, Credentials and Convention Budget

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION CONCERNING THE APPOINTMENT OF AN
2 HISTORIAN FOR THE CONSTITUTIONAL CONVENTION.

3

4

5 WHEREAS:

6 Chapter 4 of the Acts of the General Assembly
7 of 1967, which made provision for the holding of
8 this Constitutional Convention, provided in Section
9 12 that "the Convention shall appoint an historian
10 whose duty it shall be to collect, compile, docu-
11 ment and preserve all proceedings of the Convention
12 and of its several committees."

13 By way of emphasizing the importance of the
14 directive to appoint an historian, the General
15 Assembly in Chapter 4 of 1967 stated in the
16 preamble that in order to keep the people of
17 Maryland fully apprised of the plans for and the
18 operation of a Constitutional Convention, it was
19 making provision for an historian to record and
20 preserve the proceedings of the Constitutional
21 Convention.

22 Members of the Convention have seen no public
23 announcement of the appointment of an historian.

24 This office is a vital one, and Delegates to
25 the Convention feel it should promptly be filled
26 in order that the historian will not continue to
27 miss personal contact with the day-to-day affairs
28 of the Convention.

29 It is important that the office promptly be
30 filled also because of a provision in Section 15

1 of Chapter 4 of the Acts of 1967 to the effect that
2 "the Secretary of State must not certify the new
3 proposed Constitution, unless each and every pro-
4 vision of this Act, which was applicable to the
5 conducting of the Convention, shall have been
6 substantially complied with by the Convention."

7 Accordingly, the Convention wishes to be
8 informed as to the progress and plans for the
9 appointment of an historian; now, therefore

10
11 BE IT RESOLVED BY THE CONSTITUTIONAL
12 CONVENTION OF 1967, That the President of the
13 Convention is requested promptly to notify the Dele-
14 gates to the Convention of what progress has been
15 made in the appointment of an historian to the
16 Convention; and

17 BE IT FURTHER RESOLVED, That the Secretary
18 to the Convention is directed to send a copy of
19 this Resolution to the President of the Convention.

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION suggesting that each committee give
2 consideration to the merits of substantive issues
3 before it.
4
5 WHEREAS, this Convention being necessarily divided
6 into committees according to the Articles of a
7 Constitution; and
8
9 WHEREAS, by nature such division is arbitrary and
10 based on precedent, in this case the Commission
11 Draft Constitution; and
12
13 WHEREAS, in the search for the best thinking of the
14 delegates, idea proposals have been solicited and en-
15 couraged; and
16
17 WHEREAS, these proposals may possibly encompass new
18 substantive issues not previously considered by the
19 Commission: now, therefore, be it
20
21 RESOLVED that all proposals to be laid before a
22 committee be considered on the basis of intrinsic
23 merit and substance, rather than appropriateness
24 of assignment; and be it further
25
26 RESOLVED, that if the Convention should deem such a
27 proposal worthy of consideration and approval, it be
28 assigned to the Committee on Style, Drafting and
29 Arrangement for inclusion in its proper place in the
30 new Constitution; and be it further

By Delegate Beatrice Miller

We stand at the threshold of what promises to be a new era of dynamic change in federal, state and local relationships. Our constitution may reflect such changes in the role, function or responsibilities of state government. If the Convention Committees rigidly adhere to precedent, a valid proposal, never before incorporated into any state constitution, would be denied consideration in this Convention because the committee might not consider the subject germane to their area of concern. We should not allow new ideas to be lost in the cracks between committees.

This resolution is offered, therefore, to insure consideration of the merits of proposals whether or not they fit into the mold of our Convention committee structure.

BY DELEGATES BARD, BAMBERGER, GILCHRIST and
SOLLINS

October 13, 1967.

Introduced, read the first time and referred to the Committee on
Rules, Credentials and Convention Budget
By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION suggesting that all substantive
2 committees prepare presentments of legislative
3 ideas that flow from those proposals that are
4 not considered to be issues for the Constitu-
5 tion, yet are valuable as suggestions for
6 improvement of the government of Maryland.

7
8 WHEREAS, many proposals that have been
9 submitted at this Convention are not matters
10 which should be dealt with in the Constitution,
11 yet have value as legislative ideas; and

12
13 WHEREAS, these ideas should be explored by
14 the Maryland General Assembly for possible legis-
15 lation or rules; and

16
17 WHEREAS, some states including New Jersey have
18 found that such procedures are valuable tools in
19 capturing ideas leading to important progress on
20 the part of the state, therefore, be it

21
22 RESOLVED, that the Committee on Rules, Cren-
23 tials and Convention Budget prepare procedures where-
24 by legislative ideas might be presented to the

October 16 , 1967.

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION providing that the legislature be
2 requested to make the age for executing a legal
3 document and purchasing alcoholic beverages con-
4 sistent with the voting age.

5
6 WHEREAS, several proposals have been submitted
7 to the Constitutional Convention which, if adopted,
8 would lower the voting age from twenty-one (21)
9 years; and

10
11 WHEREAS, if any of such proposals are adopted,
12 there will be an inconsistency between the Con-
13 stitutional voting age, and the statutory age for
14 executing a legal document and purchasing alcoholic
15 beverages; now, therefore, be it

16
17 RESOLVED, that upon the adoption by the Con-
18 stitutional Convention of a proposal which would

23 be it further

Memorandum to accompany Delegate Resolution No. 17

By: Delegate Cardin, referred to General Provisions

This Resolution should be considered in conjunction with Delegate Proposal No. 382, the purpose of which is to lower the voting age to twenty (20).

If we consider the act of voting or right of suffrage to be of great import and significance - indicative of maturity of thought and ability to assume full adult responsibilities, we should then bestow all responsibilities of the adult society at a uniform age and include age of majority, and executing legal documents at the same age as suffrage.

The precedent for following a consistent age for voting and for legal majority is evident in viewing the four states which have voting at less than 21 years:

	<u>VOTING AGE</u>	<u>AGE OF MAJORITY</u>
Alaska	19	19
Georgia	18	21
Hawaii	20	20
Kentucky	18	18

Only Hawaii has lowered the age for purchasing alcoholic beverages, and that is 20 years - consistent with other ages.

Introduced, read the first time and referred to the Committee on
Local Government.

By order, IRA J. WAGONHEIM, Chief Clerk.

TITLE

1 A RESOLUTION urging that the Governor promptly
2 establish a Commission on Local Affairs.
3
4 WHEREAS, one of the principal goals of the Con-
5 stitutional Convention is to make more viable
6 and responsive the various units of local gov-
7 ernment throughout the State. In order pro-
8 perly to achieve that goal, this Constitutional

Memorandum to accompany Resolution No. 24
By the Committee on Local Government

1 As a result of its own research and the
2 testimony of a multitude of witnesses, the Com-
3 mittee on Local Government has been impressed by
4 the wide diversity of conditions and multiplicity
5 of county exemptions and local laws throughout
6 the State. The Committee, in order to determine
7 the powers and functions to remain in or be vested
8 in the State and those to remain in or be vested
9 in Baltimore City and the counties, believes that
10 an exhaustive study of existing legislation affect-
11 ing these relationships is absolutely necessary.
12 Recognizing the magnitude of this undertaking,
13 the Committee concludes that it has neither the
14 time nor research staff available to properly
15 conduct this essential analysis.

16
17 Such an analysis would be very helpful to
18 the General Assembly and the counties and in order
19 to draft proper and comprehensive legislation to
20 implement the new Constitution. Under the exist-
21 ing Constitution the State and counties will also
22 benefit from a complete review of existing Public
23 General and Public Local Laws.

24
25 The Commission on Local Affairs should fur-
26 ther advise the Governor, the Governor's Task
27 Force on Modern Management, and General Assembly
28 on the desirability of establishing a permanent
29 Department of Local Affairs which would render
30 valuable service to the units of local government
31 in many ways, including (1) the fostering of a
32 relationship of mutual confidence between the
33 State and local levels; (2) the collection and
34 dissemination of technical information needed by
35 the local units; (3) the development of increased
36 competence at the local level by suggesting solu-
37 tions to problems common to the counties and
38 municipalities; (4) the provision for greater co-
39 ordination in the administration of state and
40 local programs; (5) the suggestion to the Gen-
41 eral Assembly of procedures for the resolution of
42 conflicts between units of local government; (6)
43 the study and preparation of recommendations for
44 handling problems which are beyond the jurisdic-
45 tion of local units of government; and (7) the
46 performance of such further duties and functions
47 as may be assigned to it by the Governor or Gen-
48 eral Assembly.

49
50 This Resolution is submitted after consultation
51 with representatives of the Governor and the Legis-
52 lative Liaison Committee of the General Assembly.
